*T*he cost to open The View Point Inn in 1924 was approximately \$47,000.00.

Legal fees, restoration and maintenance to reopen The View Point Inn in 2007 have exceeded One Million Dollars and we still have work to do.

For example: The cost to restore our boiler and original radiator heating system was over \$52,000.00. The new roof and restoration of our chimney will be over \$100,000.00.

*Y*ou can help! Along with encouraging your friends, families and business associates to make reservations for Lunch, Dinner, Sunday Brunch, Lodging, Private

Parties, Banquets, Weddings and Special Events you can purchase an engraved brick for yourself or as a gift for a friend, family member, in memory of a loved one, corporation or small business.

Your name and your brick will become a part of history while saving history along pathways to be constructed on the grounds of The View Point Inn.
